REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

1. Claims 1 and 6-33 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claim 1 recites, inter alia, *outer winding has intermediate winding portion between its winding start and stop end, intermediate winding portion being spaced from each other along the axis of ferrite core to leave a gap thereat, the gap being filled with molding material.*

The reference of record does not teach or suggest the aforementioned limitation, nor would it be obvious to modify those references to include such limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
